

Mobile Billboard 2008 Rate Card

Patuxent Publishing Company

Summary Description

Mobile Billboard Trucks are a truly unique way to get your message around town. Mobile billboard truck advertising offers extraordinary features, like:

- Street level advertising that reaches both the active and passive onlooker.
- Complete mobility where your desired audience can view your advertisement at specific locations during specific time periods.
- Mobile units which run approximately 8 hours per day
- Flexible timing that allows you to advertise during daytime or evening hours.
- Mobile billboard advertising that reaches a highly desirable demographic... everyone from age eight- to- eighty-years-old!
